Selfnet

Do you want to have internet in your dormitory room? Then become a member of the students club Selfnet e.V.! We're an association run by students that operates the network in your dormitory. The monthly membership fee is 9,50 €.

How do I become a member?

Register yourself online at:
https://register.selfnet.de/

Can I do this offline?

You can, but it is more complicated. You have to show up in person in one of our office hours and become a member there. Please bring the following documents with you:
- Passport (not a photo / copy of the ID, no student ID). **Please don't send photos/scans of ID documents via email!**
- Your signed rental agreement (subtenant agreements need to be signed by the caretaker / Wohnheimsreferat)

Office Hours

Office hours are held at various dormitories. Current information and hours can be found on our website:
https://selfnet.de/officehours/

If you don't have an internet connection for accessing this information yet, you can visit the office hour in Stuttgart Vaihingen:

Stuttgart Vaihingen
Allmandring 8a
Downstairs

Monday / Thursday
06:00 – 07:00 pm

Volunteering

Selfnet is operated entirely by volunteering members. If you are interested in contributing as well, please contact us. Previous experience is not necessary, motivation is completely sufficient. We recommend basic knowledge of the German language.
